

SACRAMENTO / NORTHERN CALIFORNIA

ASHE / HOPPER

Two guitars at the center. More band when the gig needs it.

SEAN ASHE + MATT HOPPER / SACRAMENTO, CA

Two separate catalogs. One live set.

Sean Ashe makes instrumental guitar records. Matt Hopper writes songs and has spent years fronting bands. Together they trade guitar parts, split the vocals, and play familiar covers with a few originals. The lineup can stay small or grow with the event.

DUO

Sean, Matt, two guitars, and two voices. Good for dinners, cocktail hours, and smaller rooms.

TRIO OR BAND

Add drums, then bass when the room or schedule calls for a fuller set.

EXPANDED

Bring in another singer or player when there is a musical reason to do it.
